

**Our dream –
For every child, a place to play: Every child! Every ability! Everywhere!**

Established in 1997, Boundless Playgrounds® is the first national nonprofit organization dedicated to helping communities create extraordinary barrier-free playgrounds where **children, with and without disabilities**, can develop essential skills for life as they learn together through play.

Your tax-deductible support makes this possible!

Yes, I want to give children of all abilities the chance to play together!
